Product for professional use.
We decline any responsibility for the improper use

Multi-purpose cleaner for boats

Description

Seamaster Boat Cleaner is a degreaser ready-to-use for the easy cleaning of fiberglass, laminates, plastics, wood, etc. without the need to rinse.

It removes grease, oil, ink, oil sludge and heavy dirt (except limestone and heavy rust).

It cleans equipment on board, the interiors (kitchens, bathrooms, partitions, furniture and exterior (hull, deck, fenders, etc.))

For sensitive surfaces, it is advisable to perform a preliminary test. Due to its high biodegradability, Seamaster Boat Cleaner respects the marine environment.

How to use

Seamaster Boat Cleaner is a ready-to-use product

Spray the product on the part to be cleaned from a distance of about 20 cm.

Once applied, wait a few seconds and wipe with a sponge, a brush or with a damp cloth. It works quickly, is low foaming and does not require rinsing.

In case of heavy dirt, repeat the operation.
