Product for professional use.  
We decline any responsibility for the improper use

## Universal foam detergent and descaling

### Description

Metal Shine quickly removes limestone, scale, rust, soap residues. Suitable for metal surfaces (also chrome-plated), plastic, glass, ceramic, etc.

It does not affect metals.  
Useful one thousand times a day, for interiors and exteriors.

Like all Seamaster products, Metal Shine is highly biodegradable.

### How to use

The product is ready for use, equipped with a comfortable foam generator trigger.

Spray on surfaces to be cleaned (from a distance of about 20 cm).

Leave on, for a minute or two, wipe with a cloth if necessary and then rinse.

In case of heavy dirt, repeat the operation.
