Technical sheet n° 913  
Rev. 19/02/2013

## Category:

- Specific detergent for inflatable boats

## Applications:

- Cleaning all inflatable boats surfaces

## Strengths:

- Ready to use
- Extra effective
- Biodegradable

Product for professional use.  
We decline any responsibility for the improper use.

## Detergent for inflatable boats

### Description

Seamaster Raft Cleaner is a ready to use degreaser for all surfaces of rafts.

Can also be used to clean the board equipment from heavy dirt. Removes the toughest stains such as heavy oil, residual tanning oil, sludge, algae residues, etc. Due to the high biodegradability respects the marine environment.

### How to use

Seamaster Raft Cleaner is ready to use.

Spray the product on the part to be cleaned from a distance of about 20 cm.

Once applied, wait a few seconds and wipe with a sponge or a brush before removing with a damp cloth.

Seamaster Raft Cleaner works quickly, is low foaming and, except in cases of stubborn dirt, do not require rinsing.

In case of heavy dirt, repeat the operation.
