Category:

- Glass cleaner

Applications:

- Cleans glass with an active foam

Advantages:

- Easy spray use
- Quick-acting and efficient

Quick-acting foam spray cleaner for glass, crystalware and monitors

Applications

Cristal Window is a foam spray cleaner ideal for glass, crystalware, TV screens and monitors. The product is very efficient also in cleaning hard surfaces and plastic materials.

Cristal Window can be used to clean and degrease also laminate plastic and treated wood, writing desks, wardrobes, furniture and other furnishings of general use.

Cristal Window with its foam formulation adheres to the surfaces, on which it is sprayed, and captures dirt, which can then be removed.

Fields of application

Cristal Window can be used everywhere there is the necessity to clean hard surfaces with a neutral product, without use of water and with a significant time saving, in environments such as:

- Offices
- Houses
- Communities
- Hotels
- Restaurants and bars
- Shops
- Cleaning companies.

Method of use

Shake well before using and spray at a distance of 15-20 cm on the surface to be cleaned.

Wait for the foam development and then pass over with a cotton cloth or a paper towel.

In some cases, it is possible to apply the product directly on the cloth.

Product for industrial/professional use. The manufacturer declines all responsibility for any damage caused by an improper use of the product.
