Atlantic

Technical Sheet n° 012
Rev. 07/04/2016

Detergent, deodorant, perfumer

Category:

- Cleaner
- Deodorant
- Perfuming

Applications:

- General cleaning
- Daily cleaning

Strenghts:

- Versatility
- No rinsing
necessary
- Triple action

Applications

Atlantic is a complete triple action product: detergent, deodorant and perfumer.

Atlantic is ideal for cleaning and deodorizing schools, canteens, communities, bars, hotels, restaurants, clinics, food industries, swimming pools and garbage dumps.

After use, it leaves an excellent fragrance in the rooms.

Atlantic is formulated in compliance with Regulation (EC) n. 648/2004 and therefore it is more than 90% biodegradable.

How to use

The product must be diluted with water in a ratio of 1:10, for highly contaminated environments and 1:20 for normal use.

Atlantic is used by impregnating a rag or sponge or dispensing it directly on the parts to be treated.

No need to rinse.
