Daily use helps remove and prevent limescale build-up.

Bagno San is also available as a concentrated product to be diluted. This ready-to-use Bagno San bottle can be refilled with 50 ml (a coffee cup) of Bagno San Concentrato, adding water until full.

## How to use

Turn the spray tip to the ON position. Spray the product on the surfaces to be cleaned. Wipe with a soft, clean absorbent cloth, possibly made of cotton or non-woven fabric. No need to rinse. The surfaces will be perfectly clean, perfumed, shiny and free from unsightly streaks.
